-Preauthorization may be required for certain services.

-GSP is a network of NJ Providers only. Out of state services will not be covered unless it is a true medical emergency.

-For the NJEHP & GSP, the employee's contribution is based on the new salary based contribution schedule. For all other plans, your employee contribution will remain the same per your collective bargaining agreement.

This overview is being provided as a convenient reference tool and is not a complete overview of the benefits being offered through your medical plans. Some plan limitations may apply. Please refer to the plan documents provided by your carriers for detailed plan information. If there is any discrepancy between the descriptions of the program elements in this overview and the official plan documents, the language of the official plan documents shall prevail as accurate.

Prescription Coverage Selections - Benecard/Rx Alliance

Who Can Select This Plan?	All Employees NJEHP/GSP
Retail Copays	
Generic	\$5 Copay
Brand Name Drug (Generic Alternative <u>Not</u> Available)	\$10 Copay
Brand Name Drug (Generic Alternative Available)	Member Pays the Difference**
Retail Dispensing Limitation	30 day supply
Mail Order	
Generic	\$10 Copay
Brand Name Drug (Generic Alternative <u>Not</u> Available)	\$20 Copay
Brand Name Drug (Generic Alternative Available)	Member Pays the Difference**
Mail Order Dispensing Limitation	90 day supply
Additional Features	
*Step Therapy	Applies
**Mandatory Generic	Applies
***Mail Order for Specialty Medications	Applies
****Performance Preferred Medication	Applies

***Step Therapy-** Where more than one medication in a certain drug class has been shown to be clinically effective but a varying costs, Step Therapy requires a trial with the lower cost medication before approval of the higher cost medication, where clinically appropriate. If the member purchases the higher cost medication without a prior approval, there will be no coverage for the higher cost medication. Benecard employs Step Therapy in each of the following drug categories: Proton Pump Inhibitors (Ulcer/Reflux medications), SSRI/SSNRI (Antidepressants), Osteoporosis, Nasal Steroids, Hypnotics, Triptans (Migraine), ARBs (High Blood Pressure/Hypertension). Standard co-payments apply for prescription medications approved under the Step Therapy program.

****Mandatory Generics-** The pharmacist must dispense the generic equivalent medication when one is available. If the member fills the brand name drug instead, they will be responsible for the brand copay plus the difference in cost between the generic and brand name drug.

*****Mail Order for Specialty Medications -** Requires that specialty pharmaceutical medications be obtained through Benecard Central Fill Specialty. Specialty pharmaceuticals are typically produced through biotechnology, administered by injection, and/or require special handling and patient monitoring.

******Performance Preferred Medications -** The Performance Preferred Medication List is a voluntary guide for selecting clinically and therapeutically appropriate medications. A great majority of brand-name medications and generic medications are included on the Performance Preferred Medication List. In addition, the list also excludes several medications. If purchased, members would be responsible for paying 100% of the medication cost of these excluded medications identified in the Performance Preferred Medication List. Please note, the Performance Preferred Medication List updates throughout the year, and for the most up to date version please refer to Benecard's website: <https://www.benecardpbf.com/PBF/>
